GRAPPLE TRUCK

Looking for the right truck? CES offers a wide selection of both new and quality pre-owned refuse trucks. If we don't have exactly what you need in inventory, our team will help locate the right unit for your operation.

We also offer two and three year walk-away lease options, for municipalities, given at the time of the new truck order, providing a cost-effective solution without a long-term commitment.

ROLL-OUT CARTS AND CURBSIDE CONTAINERS

Schaefer Systems Roll-Out Carts

Get the industry-leading truckload capacity you want with the product integrity you've come to trust. The Q Cart from SCHAEFER delivers the quality that your customers expect, while offering municipalities and haulers more carts in every truckload.

- Non-slip, textured finish on corners for grabber traction
- Injection molded for maximum strength and durability
- One-piece high-density polyethylene (HDPE) construction
- Meets all ANSI standards

Busch Systems Curbside Containers

BUSCH
SYSTEMS

- The Busch Systems Curbside Series™ containers offer supreme durability and function. They are designed to be the most durable curbside containers available.
- Tested to handle up to 50 lbs.
- Rugged construction ensures the Curbside containers can take on heavy loads.
- Integrated handles offer reliable grip.
- Smooth interior edges prevent grime build-up.

COMPACTOR AND CONTAINER PARTS

- Power units
- Compactor Cylinders
- Door Seals
- Turnbuckles
- Pumps and Valves
- Electrical Switches
- Nose Rollers and Ground Rollers
- Dumpster Lids and Lid Rods

We also sell Compactors and Containers through Bakers Waste Equipment and Marathon Equipment Company.

PARTS

GREENSBORO CHASSIS REPAIR SHOP

KEEP YOUR GARBAGE TRUCKS MOVING.

Specialized Chassis Repair for the Waste & Refuse Industry

When your garbage truck is down, your route doesn't stop. Neither should your repair partner. The CES Greensboro facility specializes in chassis repair for the garbage and refuse industry, helping fleets reduce downtime and get their trucks back to work.

BUILT FOR THE REFUSE INDUSTRY
Garbage trucks work in some of the most demanding conditions in the trucking industry. Constant stops, heavy loads, and long operating hours put tremendous stress on the chassis and drivetrain. CES understands refuse trucks and the importance of keeping them on the road.

Our goal is simple:

MINIMIZE DOWNTIME.
GET YOUR TRUCK BACK TO WORK.

OUR CHASSIS REPAIR SERVICES
